

VILLAGE OF FREDONIA DEPARTMENT OF PUBLIC WORKS

Garbage and Recycling Reminders

- Garbage and recycling pick-up is every Thursday.
- If a holiday falls on a Monday, Tuesday, Wednesday, or Thursday, garbage and recycling will be picked up on Friday of that week.
- All trash must be kept separate and placed in a **CLEAR** bag. Do not mix trash and recycling items together in the same bag.
- Garbage and recyclables must be placed curbside by 7:00 a.m. on garbage day, but not more than 24 hours before pick up.
- The following items are not recyclable and should be placed in clear trash bags: plastic bags, polystyrene, light bulbs, plastic toys, styrofoam, dishes, and window glass.

Recycling

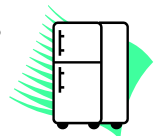

Guidelines

- All of your glass, plastic bottles, aluminum cans, tin cans, paper, junk mail, newspapers, magazines and small broken down cardboard can be mixed together in a single blue recycling bag.
- Remove lids from glass, aluminum, plastic, tin and steel cans and discard in trash and rinse recyclables clean.

Large Items/Appliances

- Furniture, old carpeting - rolled and tied into 4' lengths, and appliances can be placed curbside for pick up.
- Exceptions to this rule are **appliances that contain Freon** - refrigerators, freezers, air conditioners, dehumidifiers and microwaves. You will need to call Veolia Environmental Services at 1-888-688-4005 or Port Recycling at 284-4060 to arrange for a pick up.

- You also need to contact Veolia Environmental Services to arrange for the disposal of construction debris from new home construction, home remodeling or re-shingling projects.
- Contact Tires Unlimited in Port Washington at 284-4414 or Veolia Environmental Services to dispose of old car and truck tires. 
- If you are disposing of ashes they **must** be placed in a plastic bag so the driver knows that they are not warm and are safe to pick up. Ash tends to retain its heat and can remain a fire hazard for a long time. The garbage truck driver will no longer pick up ash in containers.
- Scavenging of refuse placed curbside for collection without the permission of the owner is prohibited.
- It is also unlawful for any person, corporation or firm to place or deposit for collection any waste or refuse not generated within the corporate limits of the Village of Fredonia.

Garbage & Recycling Bags for Sale
