The Fredonia Water & Sewer Utility offers residences in the Village of Fredonia the option of installing a 2<sup>nd</sup> meter for outside use only. The meter is provided by the village. However, you will need to contact a plumber to determine the cost of installation of the meter. There is a \$2.00 minimum charge per quarter on the additional 5/8" meter, plus the consumption charge for water only. We recommend that any new home-owner who will be putting in a lawn consider this option. You will not be charged any sewer fees on this second meter, therefore saving you \$3.28 per 1,000 gallons of usage.
