| Property Address |  |  |  |
| Account Number   |  |  |  |
| Phone Number     |  |  |  |
| Email            |  |  |  |

The Village of Fredonia Water and Sewer Utility offers our customers the option of receiving their utility bill via e-mail. In order to switch your bill from the standard postcard bill to e-bill, the Wisconsin PSC requires the utility to obtain written consent and the customer's signature.

Bills will be sent from [no-reply@ebillwi.com](mailto:no-reply@ebillwi.com). Due to the large quantities of e-bills being sent to our customers at one time, your system may consider our emailed e-bill as spam. If you do not receive your bill check your spam folder.

Please contact Village Hall with questions regarding your e-bill. Do not respond to the bill-generated email.

**I authorize the Village of Fredonia to send my Water & Sewer bill to the email address listed above and understand that any questions regarding my e-bill should be directed to the Village Treasurer.**
